

2021 EMERGEAZ Fast Grant Awards By the Numbers

The Governor's Office, inversionAZ and StartupAZ are working to support Arizona startups with the EMERGEAZ Fast Grant which allows them to navigate and accelerate through the COVID-19 pandemic. Below are a breakdown of the awards given so far by market sector, founder diversity and number of employees.

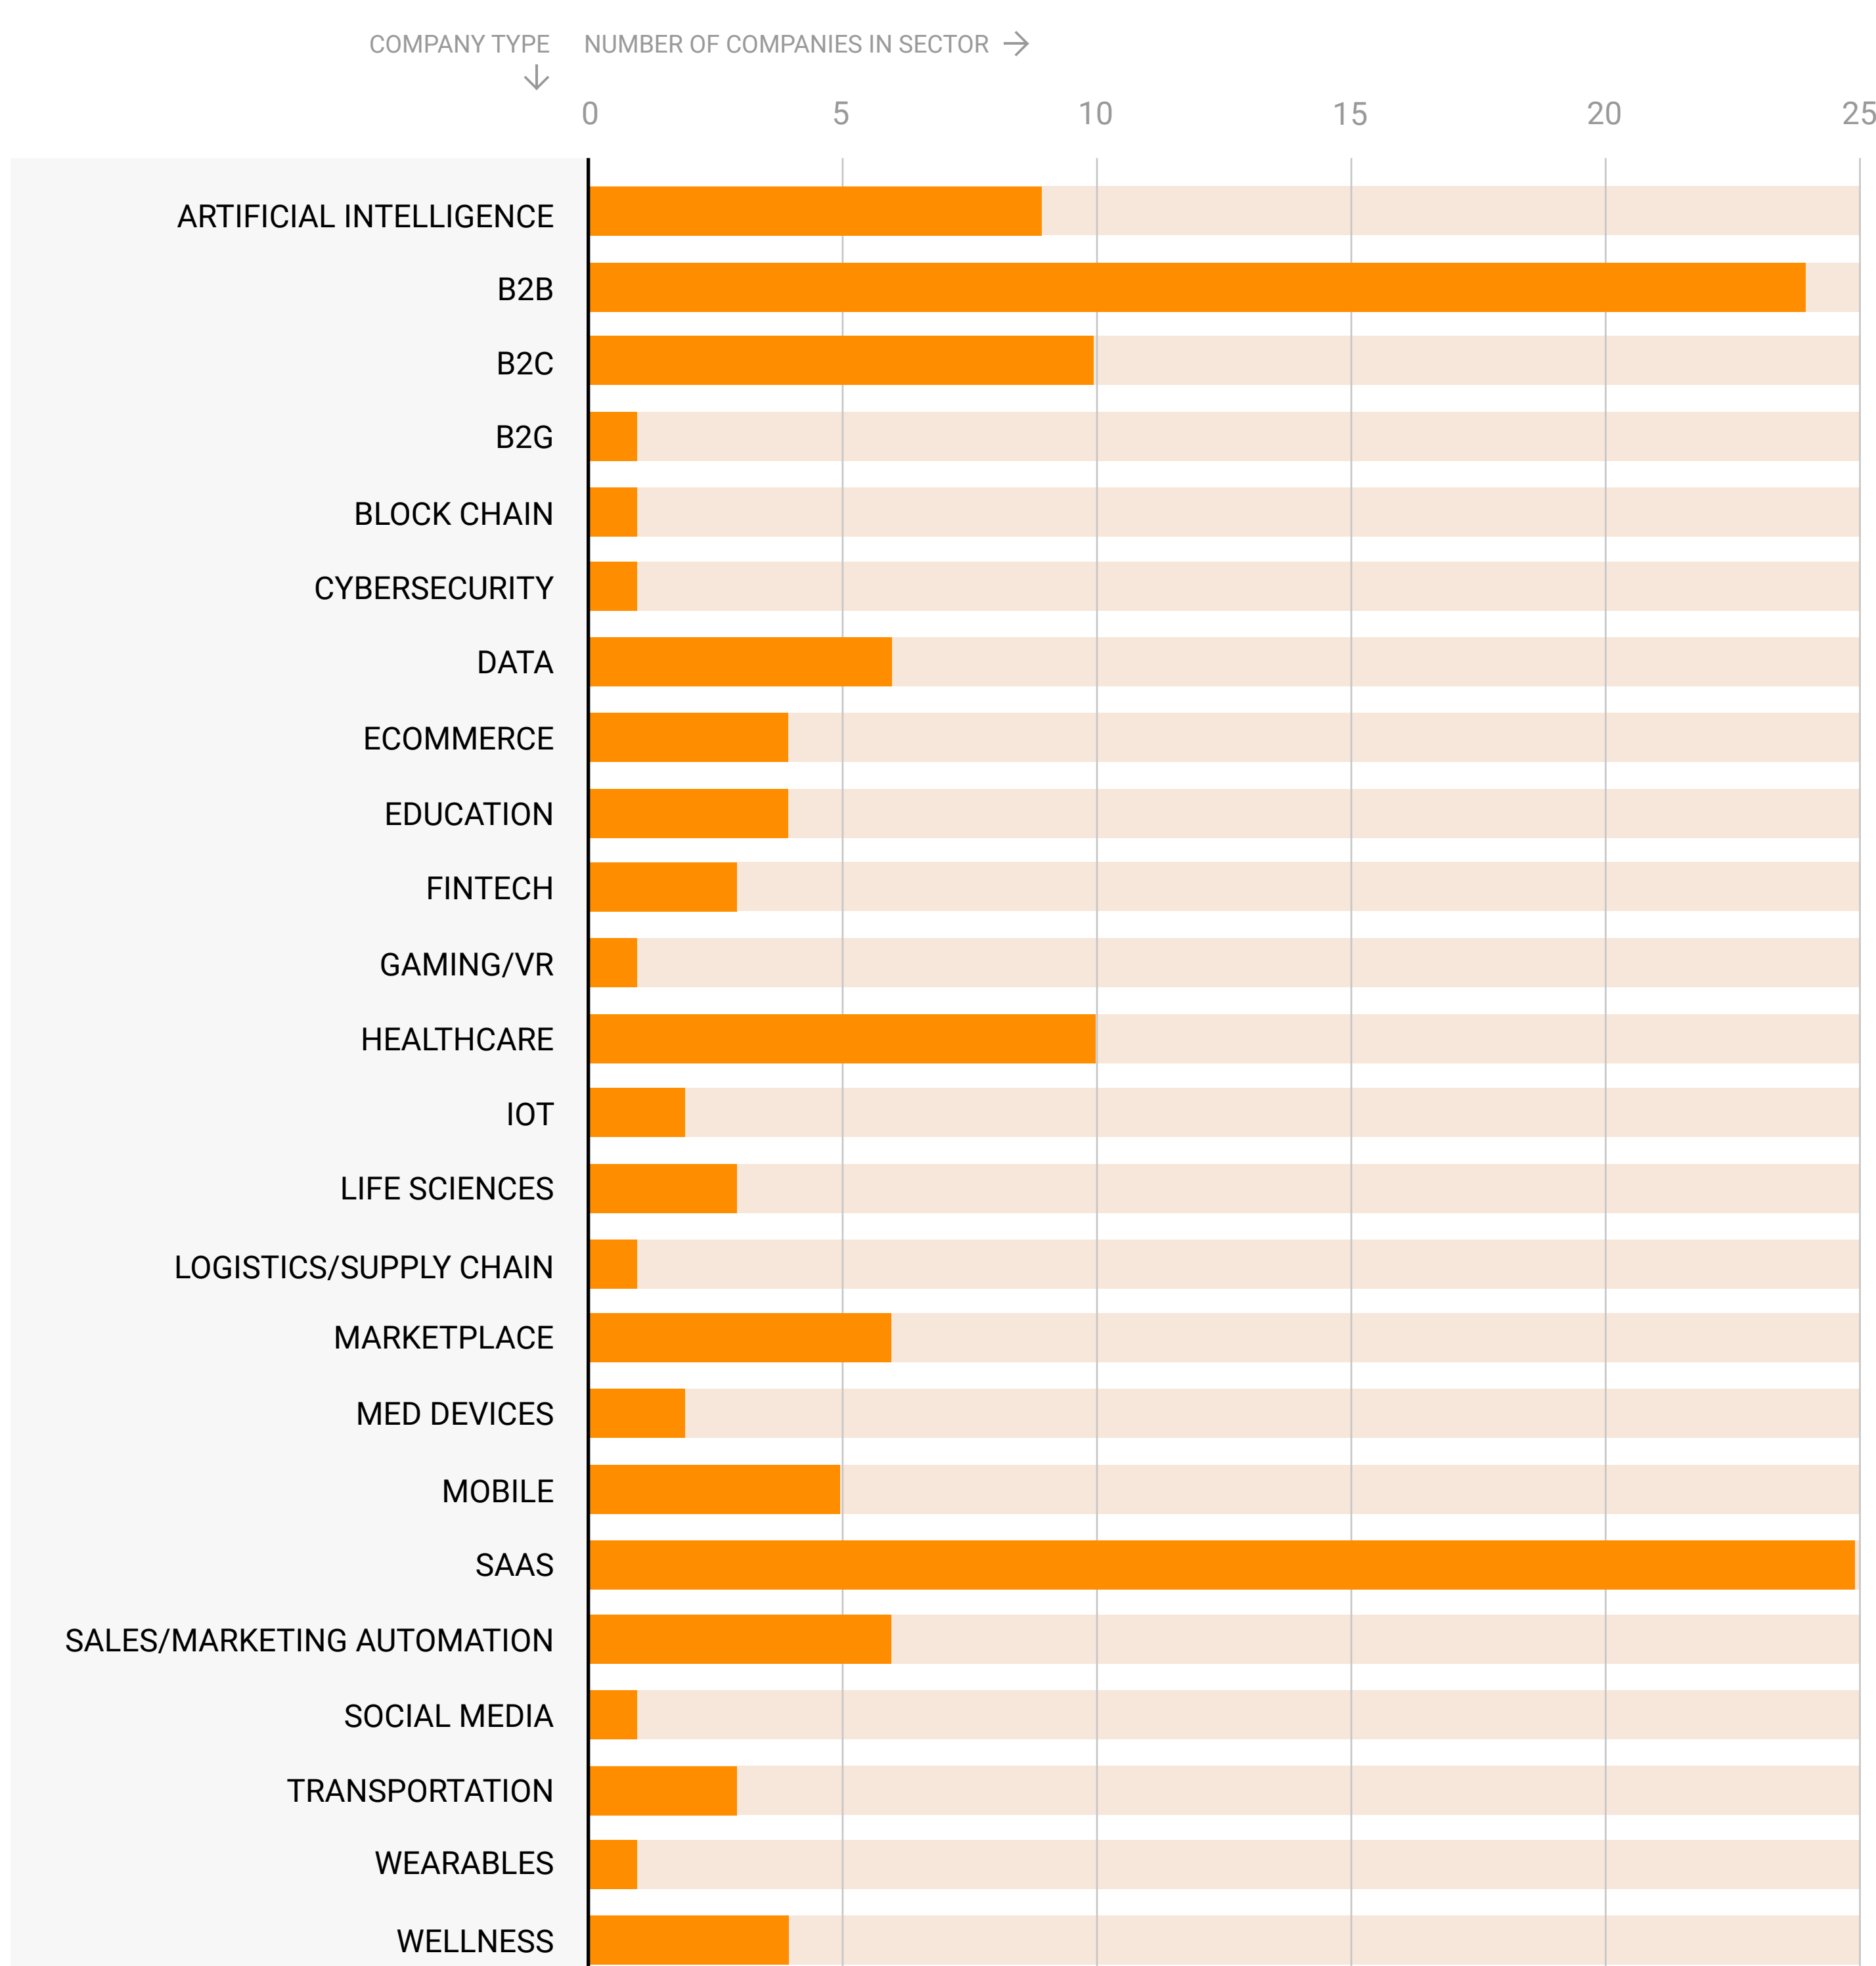

33 Companies Awarded

To date, 33 Arizona startups and entrepreneurs representing a wide range of industries have received EmergeAZ Fast Grants.

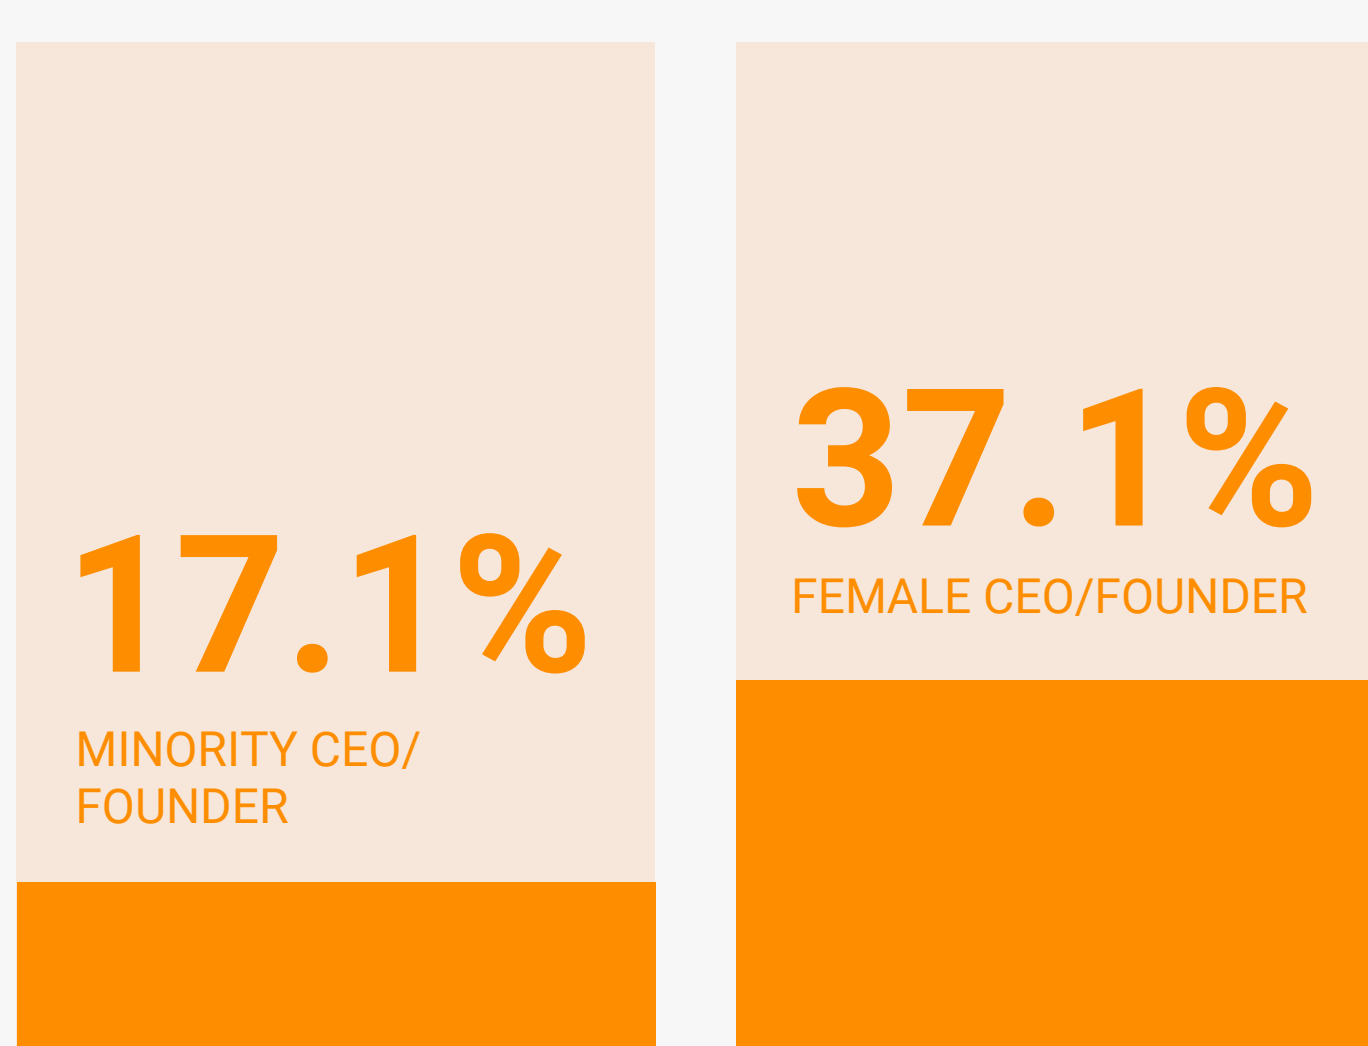

Applicants By Market Sector

Showing the diverse cross-section of the Arizona startup scene, 24 different industries are represented in awardees.

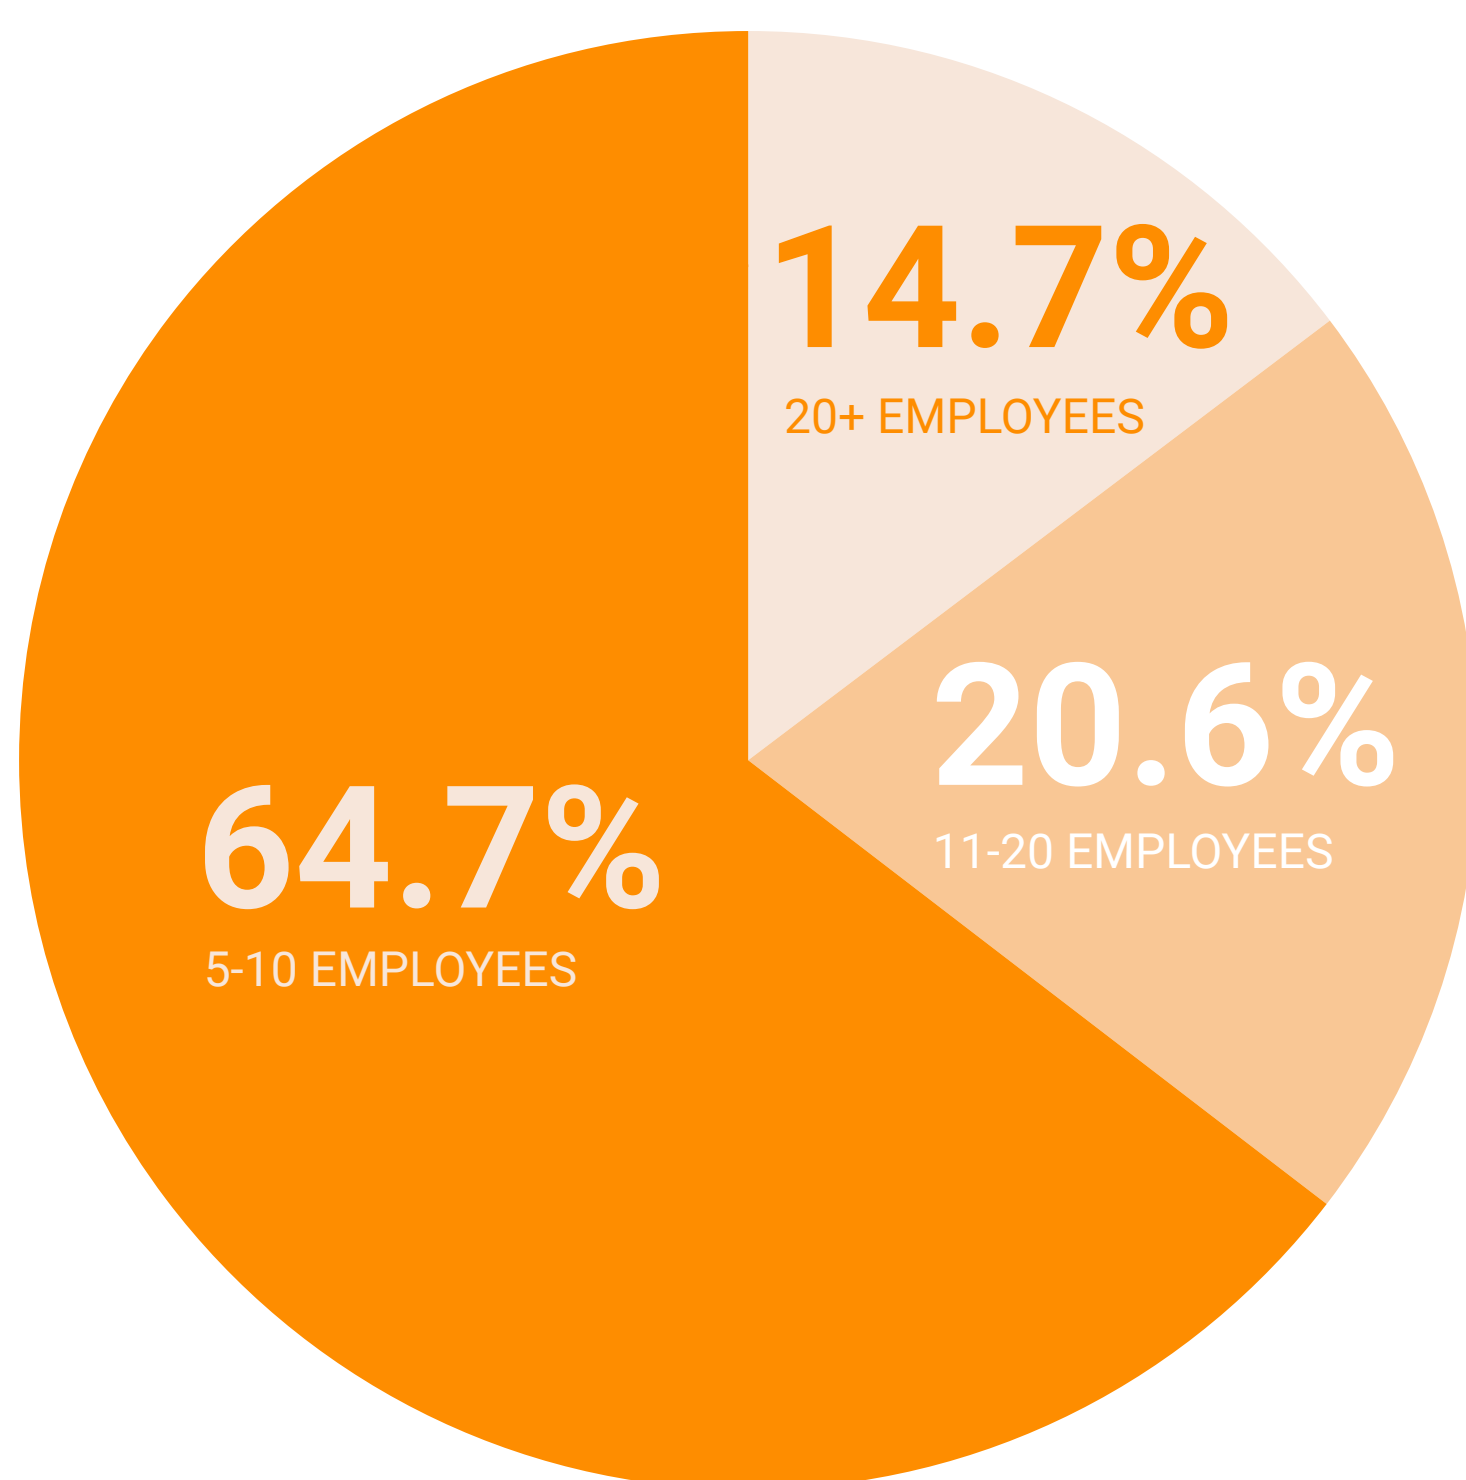

By Founder Diversity

While there are still many inroads to make, the growing number of awarded startups with diverse founders is representative of the changing startup landscape.

By Number of Employees

The 33 awarded startups account for more than 420 employees, with companies ranging in size from 5 to 65 employees.

EMERGEAZ is focused on supporting local entrepreneurs that are helping to build our economy and expand the tech ecosystem.
